Religion

Religious Expression

In order to ensure clarity in application of the District's religious expression policy, the following guidelines have been developed and implemented.

Prayer During Noninstructional Time

Students are permitted to engage in religious expression during noninstructional time, i.e., before school, after school, during lunch and recess and while not engaged in school activities. Religious expressions permitted include Bible reading, prayer, scripture reading, saying grace before meals. However, the exercise of constitutional rights of religious expression may not be engaged in when the expression disrupts educational activities or school-sponsored activities. The decision to participate or not participate in religious expression is a matter of individual choice. No student will be permitted to harass or intimidate other students to participate or refrain from participating in religious expression.

Access of Student Religious Groups to School Media

Religious related student groups will be given the same access to school facilities and school communications as are given to other noncurricular student groups. For example, and to the extent that noncurricular student groups are permitted to advertise in school media, participate in school announcements, make use of student activity bulletin boards and hand out leaflets announcing group activities, religious related groups will be given the same privileges. In all instances, the District maintains the right to control the means and timing of such activities. In all such matters, the District neither favors nor disfavors religious related student groups or the activities sponsored by such groups.

Release Time for Religious Activities

Upon written parental request, students may be released from school to participate in off-premises religious instruction or to satisfy religious obligations. Students who are released from class for religious activities will not be penalized for missing school. However, such students will be responsible for all assignments and for the content of lessons missed. The District will not provide transportation to or from off-premises for religious observances and will not be responsible for the safety or welfare of students while away from school.

Religious Expression in Class Assignments

Students are free to express their personal beliefs about religion in homework assignments, artwork or other written or oral assignments.

Such assignments will be evaluated by teachers based upon academic standards of substance, quality and relevance. Students will neither be rewarded nor penalized because of the religious content or lack of religious content in their assignments.

Student Assemblies and Extracurricular Activities

Generally, school administrators will determine or substantially control the content of what is expressed at student assemblies and at extracurricular activities. In such cases religious expression will not be permitted as the religious expression may be attributed to the school or seen as an endorsement of a particular religious belief or expression. However, in instances where students are selected to speak at assemblies based upon neutral selection criteria and where the student speaker has primary control over the content of his/her oral presentation, the school will not restrict the student speech because of its religious or anti-religious content. In such cases, school authorities will publicly clarify that the content of the student's speech is the speaker's and not the school's.

Prayer at Graduation/Baccalaureate Ceremonies

Where students or other graduation speakers are selected on the basis of neutral criteria and retain control over the content of their speech, the content of the speech will not be restricted because of the religious or anti-religious content of the speech. The school disclaims responsibility for such speech - neither encouraging nor discouraging its content. However, neither District nor school officials may direct or encourage prayer at graduation or select speakers because of the expectation that such speakers will include religious expressions in their speech.

To the extent that the District makes its facilities and related services available to private groups, the District will provide similar access and on similar terms to private groups for a baccalaureate ceremony. The District and the school will not mandate student attendance nor participate in the organization of the ceremony. School employees are free to attend but will not be required to attend the private baccalaureate ceremony.

Religious Activities of School Employees

When not engaging in work-related activities, i.e., before school or during lunch, school employees may take part in religious activities such as prayer or Bible study. Such activities should be conducted in private in order to avoid the appearance that the employees are acting in their employment responsibilities. School employees are prohibited from encouraging or discouraging religious expression and from actively participating in religious expression with students.

Religious Emblems or Garments

School personnel shall not require students to remove religious emblems or garments if they are worn in a non-disruptive manner.

Certification of Compliance

The District will provide annual written certification of compliance that the District does not maintain any policy that prevents or denies participation in constitutionally protected prayer in public elementary and secondary schools. This certification will be provided to the Missouri Department of Elementary and Secondary Education on or by October 1 annually. A copy of the certification will be maintained in the District's administration office and will be available for public review.

GENERAL ADMINISTRATION

Regulation 1300
(Form 1300)

Equal Opportunity

Prohibition Against Harassment, Discrimination and Retaliation

Harassment or discrimination because of an individual's race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, disability, age, genetic information, or any other characteristic protected by law is prohibited in this District. The District also prohibits retaliation against a person who files a complaint of discrimination or harassment or participates in an investigation of allegations of harassment or discrimination.

This Regulation governs and outlines the procedure for filing a complaint by students, employees, parents, and patrons of the District alleging harassment, discrimination, or related retaliation based on a protected classification under the laws identified in Policy 1300 (outside of Title IX). A complaint regarding sexual harassment or related retaliation of a student or employee under Title IX and that is alleged to have occurred on or after August 14, 2020, should be filed in accordance with the procedures outlined in Regulation 1301. A complaint regarding the identification, evaluation, educational program, or placement of a child with a disability under Section 504 of the Rehabilitation Act of 1973 should be filed in accordance with the procedures outlined in Regulation 2110.

DISTRICT'S COMPLIANCE OFFICER

The following person has been designated as the District's Compliance Officer to handle inquiries or complaints regarding the District's non-discrimination policies:

Chris Healy
510 East Avenue
Grant City, MO 64556-8312

The Compliance Officer is in charge of assuring District compliance with this Policy and Regulation, Title VII of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; as well as other state and federal nondiscrimination laws. See Regulation 1301 for the individual(s) designated by the District to be the Title IX Coordinator with the responsibility to identify, prevent, and remedy unlawful harassment and related retaliation in accordance with Title IX of the Education Amendments of 1972.

The Compliance Officer will:

1. *Receive complaints of discrimination or harassment based on an individual's race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, disability, age, genetic information, or any other characteristic protected by law.

3. Assess the training needs of District staff and students in connection with the dissemination, comprehension, and compliance with this Regulation.
4. Arrange for necessary training required for compliance with this Regulation.
5. Insure that investigations are conducted by an impartial investigator.
6. In the event the complaint is about the Compliance Officer or Compliance Officer's immediate supervisor, the District will consider appointment of an outside investigator.

*If any complaint involves allegations against the Compliance Officer, the Complaint shall be filed directly with the Superintendent, unless the Superintendent is the Compliance Officer, or President of the Board of Education.

DEFINITIONS

For the purpose of this Regulation, the following terms are defined:

Compliance Officer: The District employee(s) designated by the Board of Education to coordinate the District's compliance with District policy, Missouri statutes, and federal laws regarding discrimination, harassment and retaliation based on an individual's race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, disability, age, genetic information, or any other characteristic or any other characteristic that is protected by law.

Day: A calendar day. All timeframes and deadlines may be extended by the District for good cause, including but not limited to Board-approved holiday breaks and building closures.

Disability: A physical or mental impairment that substantially limits a major life activity.

Discrimination: Adverse conduct directed at an individual or group based on race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, disability, age, genetic information, or any other characteristic that is protected by law. The encouragement, cooperation, coercing, or support of adverse conduct that is based on race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, disability, age, genetic information, or any other characteristic that is protected by law is discrimination.

Harassment: Harassment is conduct, including but not limited to, intimidation, ridicule or insult, toward an individual or group because of race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, disability, age, genetic information, or any other characteristic that is protected by law and is so severe or pervasive that it:

- Affects an individual's ability to work in, participate in, or benefit from an educational program or activity; and
- Creates an intimidating, threatening, abusive hostile or offensive environment; or

- Has the purpose or effect of substantially or unreasonably altering the work or educational environment.

For the purposes of this Regulation, sexual harassment is defined as unwelcome conduct of a sexual nature or based upon sex when a) benefits or decisions are implicitly or explicitly conditioned upon submission to, or consequence is applied for refusing to comply with, unwelcome sexual advances, requests for sexual favors or conduct of a sexual nature; or b) the school or work environment becomes permeated with intimidation, ridicule or insult that is based on sex or is sexual in nature and that is sufficiently severe or pervasive enough to alter the conditions of participation in the district's programs and activities or the conditions of employment.

A student regardless of age cannot consent to behavior of a sexual nature with an adult irrespective of the circumstances.

Retaliation: Adverse conduct including, but not limited to, conduct of a coercive, intimidating, threatening, discriminatory, or harassing nature because of an individual's good faith complaint, participation in the investigation, testifying, or resolution of discriminatory or harassing conduct based on an individual's race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, disability, age, genetic information, or any other characteristic that is protected by law.

Student: An individual that is currently enrolled as a student of the District.

Illustrations and Examples of Prohibited Harassment

For the purpose of this Regulation, the determination if conduct as unwelcome is a fact-intensive question that shall be considered on a case-by-case basis.

Examples of Sexual Harassment

Sexual harassment may include a range of subtle and not-so-subtle behaviors and may involve individuals of the same or different gender. Legitimate, non-sexual physical conduct necessary to avoid physical harm to persons or property, to console an individual, or spontaneous movement during a sporting activity is not sexual harassment.

Depending on the circumstances and application of the definitions immediately above in this Regulation, examples of conduct which may or may not constitute sexual harassment, include, but are not limited to:

- sexual advances;
- request for sexual favors;
- threatening an individual for not agreeing to submit to sexual advancement;
- sexually motivated touching of an individual's intimate parts;

- coercing, forcing, or attempting to coerce or force the touching of an individual's intimate parts;
- display of drawings, graffiti, cartoons, pictures, symbols or other written material of a sexual nature;
- sexual gestures;
- sexual or dirty jokes;
- sexually provocative or explicit speech;
- communications about or rating an individual as to his/her body, sexual activity, or performance; and
- verbal abuse of a sexual nature.

Examples of Race, Color, Nation Origin, Ancestry, Religion, Disability, Age or Genetic Information Harassment

As defined in this Regulation, examples of conduct that may be considered harassment based on an individual's race, color, national origin, ancestry, religion, disability, age, or genetic information, or any other characteristic that is protected by law include, but are not limited to:

- display of drawings, graffiti, cartoons, pictures, symbols or other written material;
- jokes;
- gestures;
- slurs, derogatory stereotypes or remarks, rumors, name-calling, insults, teasing, or taunting;
- threats or intimidating conduct;
- hostile action, physical aggression or violence; and
- damage or theft of property.

OBLIGATION TO REPORT

The District is steadfastly committed to providing an inclusive environment that is free from discrimination and harassment for all of its students and staff. Unless a concern is informally resolved, staff and students shall report all incidents of discrimination, harassment and retaliation to the Compliance Officer as set forth in this Regulation. When a formal complaint is filed with the Compliance Officer, the investigation and complaint process detailed below will be used, including a possible determination by the Compliance Officer that the incident has been

appropriately addressed through the informal process. Reports of discrimination, harassment and/or related retaliation must contain as much specific information as possible to allow for proper assessment of the nature, extent and urgency of preliminary investigative procedures.

INTERIM MEASURES

The District will take action to protect a complainant or persons subjected to discrimination, harassment, or retaliation as necessary during the course of an investigation. Appropriate interim measures will be offered and may include, but are not limited to, physical separation, contact limitations, reassignment, alternative work or assignments, altering class or bus seating assignments, additional supervision, counseling, training, warning, conferences, exclusion and employee suspension pending an investigation as permitted by the District's policies and law. Additional interim measures to prevent retaliation may include, but are not limited to, notification of the retaliation prohibition, confirming the individual knows how to report retaliation, and follow-up contact.

INVESTIGATION AND RESPONSE

The District will investigate allegations of harassment, discrimination, and/or retaliation and take appropriate steps reasonably calculated to resolve the situation, eliminate the misconduct, prevent its recurrence and as appropriate, remedy its effects. The District will take equitable and remedial action within its authority on complaints that come to the attention of the District, either formally or informally.

Allegations of criminal misconduct will be reported to law enforcement and suspected child abuse will be reported to law enforcement and/or the Children's Division. Regardless of whether the misconduct is reported to law enforcement and/or the Children's Division, school staff will investigate to determine what occurred and take appropriate steps to resolve the situation, to the extent that such investigation does not interfere with an ongoing criminal investigation.

Engaging in harassment, discrimination, and/or retaliation will result in appropriate discipline or other appropriate sanctions against offending students, staff or other third parties involved in District activities. Anyone else who engages in harassment, discrimination, and retaliation on school property or at school activities will have their access to school property and activities restricted, as appropriate.

Employees and students should fully cooperate with investigation process.

Informal Process for Resolution

The District takes seriously the obligation to investigate complaints of discrimination, harassment, or retaliation and to take appropriate remedial measures when necessary. The District recognizes that the obligation to investigate and remedy may be accomplished through an informal process, depending on the circumstances.

Anyone may use informal procedures to report and resolve complaints of harassment,

discrimination, and retaliation. If a staff member receives an informal complaint of harassment, discrimination, and/or retaliation and the complaint cannot be resolved informally, the staff member shall inform their relevant building administrator or supervisor. The administrator/supervisor may attempt to resolve the matter informally and should inform complainants of this Regulation.

Building administrators/supervisors shall provide information to the Compliance Officer on a regular basis about complaints reported and resolved through the informal process.

Informal complaints may become formal complaints at the request of the complainant, parent/guardian, or the District.

During the course of the informal complaint process, the District will take prompt and effective steps reasonably calculated to end the harassment, discrimination, and retaliation and to correct any effects on the complainant.

Informal remedies may include, but are not limited to:

- If the complainant so desires, an opportunity for the complainant to explain to the alleged harasser that his or her conduct is unwelcome, offensive or inappropriate, either in writing or face-to-face;
- A statement from a staff member to the alleged harasser that the alleged conduct is not appropriate and could lead to discipline if proven or repeated;
- Developing a safety plan;
- Separating students; or
- Providing staff and/or student training.

The District will inform the complainant (and their parent/guardian when applicable) how to report any subsequent problems. Additionally, the District may conduct follow-up inquiries to see if there have been any new incidents or instances of retaliation, and to promptly respond and appropriately address continuing or new problems.

Formal Process for Resolution

Step One – Complaint to District

Anyone may initiate a formal complaint of harassment, discrimination, or retaliation by filing a written complaint with the District's Compliance Officer. At any step in the formal resolution process, where appropriate, the District will take interim measures to protect the complainant or alleged victim before the final outcome of the District's investigation. Additionally, the District may appoint an outside investigator at any step of the informal or formal resolution process. A subordinate shall not investigate his/her supervisor.

The following process will be followed at Step One:

Filing of Complaint

- All formal complaints will be in writing and will set forth the specific acts, conditions or circumstances alleged to have occurred and to constitute harassment, discrimination or retaliation. The Compliance Officer may draft the complaint based on the report of the complainant for the complainant to review and approve. The Compliance Officer may also conclude that the District needs to conduct an investigation based on information in his or her possession, regardless of the complainant's interest in filing a formal complaint.
- Formal complaints must be submitted to the Compliance Officer.
- A charge or complaint of discrimination, harassment, or retaliation filed with an outside agency does not constitute a formal complaint or trigger an obligation to follow the formal complaint investigation procedures as contemplated under this Regulation.

Investigation of Complaint

- The Compliance Officer will receive and investigate all formal, written complaints of harassment, discrimination or retaliation or will investigate if information in the Officer's possession leads them to believe further investigation is required. The Compliance Officer will delegate his or her authority to participate in this process if such action is necessary to avoid any potential conflicts of interest. Upon receipt of a complaint, the Compliance Officer will provide the complainant a copy of this Regulation.
- Investigations will be carried out in a manner that is adequate in scope, reliability and impartiality. During the investigation process, the complainant and accused party or parties, if the complainant has identified an accused party, will have an opportunity to identify witnesses and present relevant evidence. The District and complainant may also agree to resolve the complaint in lieu of an investigation.
- When the investigation is completed, the Compliance Officer will compile a written report of the investigation. The report may include a recommendation of appropriate action to remedy the allegations included in the complaint. The Compliance Officer will forward the report and recommendations to the Superintendent. If the Superintendent is the subject of the complaint, the report and recommendations will be forwarded to the Board President.

Response to Complaint

- The Superintendent will review the report completed by the Compliance Officer.

- The Superintendent will respond in writing with a Letter of Outcome to the complainant and the accused party within **thirty (30)** calendar days of the Compliance Officer's receipt of the written complaint, unless otherwise agreed to by the complainant or if circumstances related to the complaint require an extension of the time limit. In the event an extension is needed, the District will notify the complainant in writing of the reason for the extension and the anticipated response date.
- The Letter of Outcome will include: 1) a statement of the outcome of the investigation including whether a preponderance of the evidence establishes that harassment, discrimination, and/or retaliation occurred in violation of Policy 1300; 2) if violation of Policy 1300 is found to have occurred, the assurance that the District will take steps to prevent recurrence and remedy its effects on the complainant and others, if appropriate; and 3) notice of the right to appeal to the school board and the necessary filing information.
- Any corrective measures deemed necessary will be instituted as promptly as reasonable.
- The District will inform the complainant (and their parent/guardian if the complainant is a student) how to report any subsequent problems. Additionally, where appropriate the District will conduct follow-up inquiries to see if there have been any new incidents or instances of retaliation, and to respond and appropriately address continuing or new problems.
- If the Superintendent is the subject of the complaint, the actions set forth herein to be completed by the Superintendent will be completed by the Board President.

Step Two – Appeal to Board of Education

Notice of Appeal

- The complainant or accused party may appeal to the Board of Education by filing a written notice of appeal with the secretary of the Board within **ten (10)** calendar days following receipt of the Letter of Outcome.
- On receipt of the written appeal, the matter shall be placed on the agenda of the Board for consideration not later than their next regularly scheduled meeting, unless otherwise agreed to by the complainant and the superintendent or for good cause.
- Parties will be allowed to provide comment and information as the Board deems relevant and material.

Board Decision

- Unless otherwise agreed to by the appealing party, the Board will provide written notice of its determination within **thirty (30)** calendar days following the filing of

the notice of appeal and provide the appealing party with a copy of the determination.

RETALIATION

The District prohibits retaliation against a person who files a complaint of discrimination or harassment, and further prohibits retaliation against a person who participates in related proceedings or investigations.

Notwithstanding this provision, employees or students found to have intentionally made false or materially misleading allegations of suspected discrimination, harassment and/or related retaliation under this Regulation may be disciplined, up to and including dismissal or expulsion.

CONFIDENTIALITY

The District will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses to the extent possible, consistent with applicable law, the District's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. However, pursuant to the District's discretion, information may be disclosed, if necessary, to aid in the investigation, resolution, or appeal of the complaint.

CONSEQUENCES AND REMEDIES

The District will take prompt, effective and appropriate action to address substantiated discrimination, harassment or retaliation, prevent its recurrence and remedy its effects.

Consequences

Consequences for violations of this Policy and Regulation may have educational, restorative, rehabilitative and/or punitive components.

Conduct constituting harassment, discrimination or retaliation as defined in this Regulation will be subject to discipline including, but not limited to, written warning or reprimand, conference, required training, "no contact" order, reassignment, probation, suspension or termination for employees, suspension or expulsion for students, or exclusion from District property.

In the event that the evidence suggests that the conduct at issue is also a crime in violation of a Missouri criminal statute, the District Compliance Officer shall report the conduct to the appropriate law enforcement agency charged with responsibility for handling such crimes.

As required by and in compliance with law and District policy, a report will be made to the Missouri Children's Division if there is reasonable cause to suspect abuse or neglect of a child.

Students, employees and others will not be disciplined for speech in circumstances where it is protected by law.

Remedies

The District will consider remedies for the victim as appropriate including, but are not limited to, providing additional resources such as counseling, moving or reassignment of the perpetrator, or allowing the victim to retake or withdraw from a class.

An allegation of discrimination, harassment and/or related retaliation complaint may not necessarily stop, delay or affect pending personnel actions. This includes, but is not limited to, performance evaluations or disciplinary actions related to a reporter who is not performing at acceptable levels or standards or who has violated district policies or regulations.

TRAINING & PUBLICATION OF POLICY

The District will train its employees on this Policy and Regulation. The training will include the requirements of nondiscrimination and the appropriate responses to discrimination, harassment, and retaliation. The District will notify its employees to report complaints of discrimination, harassment or retaliation in accordance with this Policy. This training will be provided to employees on an annual basis, and at such other times as the Superintendent, in consultation with the District's Compliance Officer, determines is necessary or appropriate. Additionally, the District will provide additional training to the District Compliance Officer on identifying, investigating, and reporting on acts that may constitute discrimination, harassment or retaliation. District students will be notified regarding this Policy. This Policy will be posted on the District's website and available in Central Office.

Board Updated September 17, 2020

GENERAL ADMINISTRATION

Regulation 1301

Equal Opportunity

Prohibition Against Sexual Harassment and Retaliation under Title IX

This Policy governs a complaint of sexual harassment or retaliation of a student or employee, as such conduct is defined and regulated under Title IX of the Education Amendments of 1972, and that is alleged to have occurred on or after August 14, 2020. If any provision of Title IX or its regulations is held invalid or unenforceable by a court, agency, or department with legal jurisdiction over the District, the corresponding provisions in this Policy shall likewise be rendered invalid and not enforced.

A complaint by students, employees, parents, and patrons of the District alleging harassment, discrimination, or related retaliation based on a protected classification under the laws identified in Policy 1300 (outside of Title IX) should be filed in accordance with the procedures outlined in Regulation 1300. A complaint regarding the identification, evaluation, educational program, or placement of a child with a disability under Section 504 of the Rehabilitation Act of 1973 should be filed in accordance with the procedures outlined in Regulation 2110.

DISTRICT'S TITLE IX COORDINATOR

The following person has been designated as the District's Title IX Coordinator:

Chris Healy
510 East Avenue
Grant City, MO 64556-8312
(660) 564-3389
chealy@wc.k12.mo.us

The District has designated the Title IX Coordinator with the responsibility to identify, prevent, and remedy unlawful harassment and retaliation under Title IX in the District. The Title IX Coordinator is in charge of assuring District compliance with Regulation 1301 and Title IX of the Education Amendments of 1972. See Policy and Regulation 1300 for the individual(s) designated by the District to be the Compliance Officer with the responsibility to identify, prevent, and remedy unlawful discrimination and harassment in accordance with Title VII of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; as well as other state and federal nondiscrimination laws.

DEFINITIONS

For the purpose of this Regulation, the following terms are defined:

Actual Knowledge: Notice of sexual harassment or allegations of sexual harassment to any employee (other than the respondent) in an education program or activity of the District against a person in the United States. Actual knowledge does not include constructive notice.

Complainant: An individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Day: A calendar day. All timeframes and deadlines may be extended by the District for good cause, including but not limited to Board-approved holiday breaks and building closures.

Education program or activity: Locations, events, or circumstances over which the District exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

Formal complaint: A document filed by a complainant, or a parent or legal guardian of a student complainant, alleging sexual harassment against a respondent and requesting that the District investigate the allegation of sexual harassment. Additionally, a formal complaint can be completed and signed by the Title IX Coordinator, if, in their sole discretion, they conclude that the District needs to conduct an investigation based on information in their possession, regardless of the complainant's interest in filing a formal complaint. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the District. The complainant must physically or digitally sign the formal complaint, or otherwise indicate that the complainant is the person filing the formal complaint. If the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant.

Respondent: An individual who is reported to be the perpetrator of conduct that could constitute sexual harassment.

Retaliation: Intimidation, threats, coercion, or discrimination of an individual for the purpose of interfering with any right or privilege secured by Title IX or because the individual has made a report of complaint, testified, assisted, or participated or refused to participate in any manner in an investigation or proceeding under this Regulation.

Sexual harassment: Conduct on the basis of sex that satisfies one or more of the following:

1. A District employee conditioning an aid, benefit, or service of an education program or activity on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the education program or activity; or
3. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

Supportive measures: Non-disciplinary, non-punitive, individualized services. Appropriate supportive measures shall be offered to the complainant and may be offered to the respondent, as appropriate and depending on the individual circumstances of the situation. Supportive measures

may include, but are not limited to, physical separation, contact limitations, reassignment, alternative work or assignments, altering class or bus seating assignments, additional supervision, counseling, training, and conferences.

Illustrations and Examples of Prohibited Sexual Harassment

For the purpose of this Regulation, the determination if conduct is prohibited under Title IX is a fact-intensive question that shall be considered on a case-by-case basis. Legitimate, non-sexual physical conduct necessary to avoid physical harm to persons or property, to console an individual, or spontaneous movement during a sporting activity is not sexual harassment.

Depending on the circumstances and application of the definitions immediately above in this Regulation, examples of conduct which may or may not constitute sexual harassment, include, but are not limited to:

- sexual advances;
- request for sexual favors;
- threatening an individual for not agreeing to submit to sexual advancement;
- sexually motivated touching of an individual's intimate parts;
- coercing, forcing, or attempting to coerce or force the touching of an individual's intimate parts;
- display of drawings, graffiti, cartoons, pictures, symbols or other written material of a sexual nature;
- sexual gestures;
- sexual or dirty jokes;
- sexually provocative or explicit speech;
- communications about or rating an individual as to their body, sexual activity, or performance; and
- verbal abuse of a sexual nature.

OBLIGATION TO REPORT

The District is steadfastly committed to providing an inclusive environment that is free from sexual discrimination and harassment for all of its students and staff. Staff with actual knowledge of behaviors that may constitute sexual harassment and related retaliation as defined in this Regulation shall report it to the Title IX Coordinator. When a formal complaint is filed with the Title IX Coordinator, the grievance process detailed below will be used. Reports of sexual

harassment and/or related retaliation must contain as much specific information as possible to allow for proper assessment of the nature and extent of the investigative procedures.

RESPONSE TO ACTUAL KNOWLEDGE OF SEXUAL HARASSMENT OR RELATED RETALIATION

When the District has actual knowledge of sexual harassment or related retaliation under Title IX, the Title IX Coordinator shall:

1. Promptly contact the complainant to discuss the availability of supportive measures;
2. Consider the complainant's wishes with respect to supportive measures;
3. Explain the process for filing a formal complaint under this Regulation; and
4. Inform the complainant of the availability of supportive measures regardless of whether a formal complaint is filed under this Regulation.

The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process outlined in this Regulation. The District will only impose disciplinary consequences against a respondent for violations of this Regulation after the grievance process has been completed; however, the District may impose disciplinary consequences against a respondent for other violations of the District's Board of Education Policies prior to the conclusion of the grievance process outlined in this Regulation. If there is an immediate threat to the physical health or safety of any student arising from the allegation of sexual harassment that justifies removal, the respondent's placement shall be changed, including removal from the District. Immediately following the removal, the respondent shall be given notice and an opportunity to challenge the decision to the Superintendent in writing. The Superintendent shall issue a written decision on the respondent's challenge and such decision shall be final. If the respondent is an employee, the employee may be placed on administrative leave during the pendency of the grievance process.

GRIEVANCE PROCESS FOR FORMAL COMPLAINT

During the grievance process for a formal complaint, the District shall treat the complainant and the respondent equitably. The District will ensure that relevant evidence is objectively evaluated, including both inculpatory and exculpatory evidence, and that credibility determinations are not based on a person's status as a complainant, respondent, or witness. Additionally, the Title IX Coordinator, the investigator, all decision-makers, and any facilitator of the informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or individually. Furthermore, the District shall not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Formal Complaint

Formal complaints of sexual harassment under this Regulation must be submitted to the Title IX Coordinator.

A charge or complaint of sexual harassment or retaliation filed with an outside agency does not constitute a formal complaint with the District or trigger the District's obligation to follow the formal complaint grievance process as contemplated under this Regulation.

If a formal complaint involves allegations against the Title IX Coordinator, the formal complaint shall be filed directly with the Superintendent, unless the Superintendent is the Title IX Coordinator, or President of the Board of Education.

Upon receipt of a formal complaint, the Title IX Coordinator shall promptly:

1. Provide written notice of the allegations, the grievance process, and any informal resolution process to the complainant and the respondent to give both parties the proper time to prepare a response before an interview;
2. Inform the complainant and the respondent of the prohibition against making false statement or knowingly submitting false information;
3. Inform the complainant and the respondent that they may have an advisor (who may be but who is not required to be an attorney) present during any of their own subsequent meetings; and
4. Offer supportive measures in an equitable manner to the complainant and the respondent, when appropriate.

The Title IX Coordinator, at their discretion, may consolidate formal complaints if they arise out of the same facts or circumstances. If, in the course of the investigation process as outlined below in this Regulation, the investigator decides to investigate new allegations about the complainant or the respondent that are not included in a written notice previously provided to the complainant and respondent, the Title IX Coordinator will provide another written notice of the additional allegations to the complainant and the respondent.

The Title IX Coordinator must dismiss a formal complaint for any of the following reasons:

1. The conduct alleged in the formal complaint would not constitute sexual harassment even if proved.
2. The conduct alleged in the formal complaint did not occur in the District's education program or activity.
3. The conduct alleged in the formal complaint did not occur within the United States.

The Title IX Coordinator may dismiss a formal complaint for any of the following reasons:

1. The complainant has notified the District in writing that the complainant would like to withdraw the formal complaint or any allegations.
2. The respondent is no longer enrolled or employed by the District.
3. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint.

If the Title IX Coordinator dismisses a formal complaint, written notice of the dismissal, including the reasons for dismissal, shall be provided to the complainant and the respondent. If a complainant or respondent wishes to appeal a dismissal of a formal complaint, they should follow the appeal process outlined in this Regulation. Dismissal of a formal complaint does not preclude the District from investigating, taking action, or imposing discipline outside of this Regulation related to the alleged conduct and in accordance with any other Board policy or regulation.

Investigation

The Title IX Coordinator, or a designee, shall serve as the investigator and be responsible for investigating formal complaints in an equitable manner that involves an objective evaluation of all relevant evidence. The District may appoint an outside investigator when appropriate. A subordinate shall not investigate his or her supervisor.

The burden for obtaining evidence sufficient to reach a determination regarding responsibility rests on the District and not the complainant or respondent.

The investigator shall initiate an investigation within five (5) days of the receipt of the formal complaint by the Title IX Coordinator, unless good cause exists to extend this timeframe. All investigations shall:

1. Provide an equal opportunity for the complainant and the respondent to present witnesses and evidence;
2. Not restrict the ability of either the complainant or the respondent to discuss the allegations under investigation or to gather and present relevant evidence;
3. Refrain from requiring, allowing, relying upon, or otherwise using questions or evidence that seek disclosure of information protected under a legally recognized privilege unless such privilege has been waived;
4. Provide the complainant and the respondent with the same opportunities to have an advisor present during any grievance proceeding;
5. Provide to the complainant and the respondent whose participation is requested written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the individual to prepare to participate;

6. Provide the complainant and the respondent an equal opportunity to inspect and review any evidence directly related to the allegations in the formal complaint; and
7. Result in the creation of an investigative report that fairly summarizes relevant evidence.

Employees and students should fully cooperate with the investigation process under this Regulation.

Prior to the completion of the investigative report, the investigator shall send to the complainant and the respondent the evidence related to the investigation to inspect and review. The complainant and the respondent shall have ten (10) days to submit a written response which the investigator shall take into consideration in creating the final investigative report.

At the close of the investigation, a written final investigative report will be delivered to the complainant and the respondent. The final investigative report should be completed within thirty (30) days of the initiation of the investigation, unless good cause exists to extend this timeframe.

Upon receipt of the final investigative report, the complainant and the respondent shall have ten (10) days to submit a written response to the report to the investigator and to submit written, relevant questions to be asked of any party or witness prior to the determination of responsibility.

Determination of Responsibility

For the purposes of a determination of responsibility, the decision-maker shall be the Superintendent or their designee; however, the decision-maker shall not be the Title IX Coordinator or the investigator. The decision-maker shall receive the final investigative report as well as any written responses and additional questions to be asked that were timely submitted by the complainant and the respondent. Upon a determination of relevance, the decision-maker will facilitate the exchange of written questions as submitted by the complainant and the respondent, provide the complainant and the respondent with submitted answers (if any), and allow for additional, limited follow-up questions from the complainant and respondent.

Within a reasonably prompt time frame, the decision-maker shall make a determination of responsibility based on the final investigative report, the evidence, and all written responses timely submitted by the complainant and the respondent, and without any live testimony or hearing.

The decision-maker shall provide the written determination to the complainant and the respondent, along with information regarding the procedures and allowable bases to appeal the decision. The written determination shall include:

1. The allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with

- parties and witnesses, site visits, and methods used to gather other evidence;
3. Findings of fact supporting the determination;
 4. Conclusions regarding the application of the District's code of conduct to the facts; and
 5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District imposes on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the recipient to the complainant.

The preponderance of the evidence standard shall be used in making a determination of responsibility.

If a determination of responsibility against a respondent is made, the District shall impose consequences as described below in this Regulation. After a determination of responsibility is made, the Title IX Coordinator shall work with the complainant to determine if further supportive measures are necessary. The Title IX Coordinator shall also determine whether any other actions are necessary to prevent reoccurrence of the harassment and to restore equal access to the education program or activity.

Appeal

Either the complainant or the respondent may appeal from a determination of responsibility or a dismissal of a formal complaint (or any allegations therein) for any of the following reasons:

1. A procedural irregularity that affected the outcome of the investigation;
2. New evidence that was not reasonably available at the time of the determination and that could affect the outcome of the investigation; or
3. A conflict of interest on the part of the Title IX Coordinator, investigator, or decision-maker.

Appeals shall be submitted to the Title IX Coordinator within five (5) days of a determination of responsibility or dismissal of a formal complaint (or any allegation therein). If an appeal is not timely submitted, the determination of responsibility or the dismissal of a formal complaint (or any allegation therein) becomes final.

Upon receipt of an appeal, the Title IX Coordinator shall provide written notice of the appeal to the complainant and the respondent. During the appeal process, the complainant and the respondent shall have a reasonable, equal opportunity to submit written statements in support of or in challenge of the appeal to the designated decision-maker on appeal; however, both the complainant and the respondent are limited on appeal to submission of only written statements. There will be no live or oral testimony.

After review of the appeal, investigative report, and any written statement submitted by the complainant and the respondent, the designated decision-maker on appeal, who shall not be the Title IX Coordinator, investigator, or the decision-maker of a dismissal or determination of responsibility, shall issue a written decision describing the result of the appeal and the rationale for the result. The written decision shall be provided to the complainant and the respondent. This decision shall be final.

Informal Resolution

At any time after a formal complaint is filed and prior to reaching a determination regarding responsibility, the District may facilitate an informal resolution process to address the allegations made in the formal complaint. The informal resolution process is voluntary and does not involve a full investigation and adjudication under the grievance process in this Regulation. If the complainant and respondent both elect to engage in the informal resolution process, their voluntary consent shall be made in writing and all timeframes and deadlines in this Regulation shall be suspended.

An informal resolution may include, but is not limited to the following:

- If the complainant so desires, an opportunity for the complainant to explain to the respondent that his or her conduct is unwelcome, offensive or inappropriate, either in writing or face-to-face;
- A statement from a staff member to the respondent that the alleged conduct is not appropriate and could lead to discipline if proven or repeated;
- Developing a safety plan;
- Separating students; or
- Providing staff and/or student training.

The informal resolution process shall not be made available to formal complaints alleging sexual harassment under this Regulation of a student by an employee.

RETALIATION

The District prohibits retaliation against a person who files a formal complaint of sexual harassment under this Regulation, and further prohibits retaliation against a person who participates in related investigations.

Notwithstanding this provision, employees or students found to have intentionally made knowingly false or materially misleading allegations of suspected harassment and/or related retaliation under this Regulation may be disciplined, up to and including dismissal or expulsion.

CONFIDENTIALITY

The District will respect the privacy of the complainant, the respondent, and the witnesses to the extent possible, consistent with applicable law as well as the District's legal obligations to investigate, to take appropriate action, and to conform with disclosure obligations as identified in this Regulation.

The complainant and the respondent shall not disclose any information obtained during the grievance process in violation of the Family Educational Rights and Privacy Act or for any purpose outside of participation in the grievance process.

CONSEQUENCES

Where a determination of responsibility for sexual harassment or related retaliation as defined in this Regulation has been made, the District will provide remedies to the complainant designed to restore or preserve equal access to the District's education program or activity.

Consequences for violations of this Regulation may have educational, restorative, rehabilitative and/or punitive components.

Conduct constituting sexual harassment or related retaliation as defined in this Regulation will be subject to discipline including, but not limited to, written warning or reprimand, conference, required training, "no contact" order, reassignment, probation, suspension or termination for employees, suspension or expulsion for students, or exclusion from District property.

In the event that the evidence suggests that the conduct at issue is also a crime in violation of a Missouri criminal statute, the Title IX Coordinator shall report the conduct to the appropriate law enforcement agency charged with responsibility for handling such crimes.

As required by and in compliance with law and District policy, a report will be made to the Missouri Children's Division if there is reasonable cause to suspect abuse or neglect of a child.

RECORDKEEPING

The District shall maintain for a period of seven (7) years records of the following:

1. Each investigation and determination of responsibility made under this Regulation, including disciplinary sanctions imposed on the respondent and remedies provided to the complainant;
2. Any appeal decided under this Regulation;
3. Any informal resolution reached under this Regulation;
4. Materials used for training the Title IX Coordinator, investigator, decision-makers, and facilitators of the informal resolution process under this Regulation; and

5. Actions taken in response to actual knowledge of sexual harassment or related retaliation under this Regulation, including supportive measures designed to restore or preserve equal access to the District's education program or activity.

TRAINING & PUBLICATION OF POLICY

The District will train its employees on the definition of sexual harassment and retaliation under this Regulation and the duty to report when they have actual knowledge of sexual harassment. This training will be provided to employees on an annual basis, and at such other times as the Superintendent, in consultation with the District's Title IX Coordinator, determines is necessary or appropriate. Additionally, the District will provide training to the Title IX Coordinator, investigator, decision-makers, and facilitators of the informal resolution process on identifying, investigating, and reporting on acts that may constitute sexual harassment or related retaliation under Title IX, and such training materials will be posted on the District's website. District students will be notified regarding this Regulation. This Regulation will be posted on the District's website and available in Central Office.

GENERAL PROVISIONS

The Coordinator shall receive complaints, actively and independently investigate the merit of those complaints, and assist the parties in resolution of those complaints. The Coordinator may be utilized as a resource by any party at any level of the grievance procedures.

Students, parents of elementary and secondary school students, employees, applicants for admission and employment, and sources of referral of applicants for admission and employment with Worth County R-III School District have the right to file a formal complaint alleging noncompliance with regulations outlined in Title IX or Section 504.

Relevant records shall be made available to the grievant to the extent appropriate under the particular circumstances of the specific complaint and as permitted by law.

The grievance procedures herein do not deny the right of the grievant to file formal complaints with other appropriate state or federal agencies, such as the Missouri Human Rights Commission, United States Department of Education office for Civil Rights, or the Equal Employment Opportunity Commission (employees only). Similarly, these procedures do not deny any right of the grievant to seek private counsel for complaints alleging discrimination.

In most instances involving a student under eighteen years old, the student's parent/guardian should participate in the hearing and resolution process.

No student or employee of the District shall intimidate, harass or retaliate against any person filing a grievance or any person participating in the investigation or resolution of a grievance.

If a grievance is taken to the Board of Education for a formal contested hearing, the parties shall have the right to be represented by legal counsel, to call and examine witnesses, to cross-examine witnesses called by the opposing party, and to submit documentary evidence into the record.

TITLE IX GRIEVANCE PROCEDURE

Level 1: Principal or Immediate Supervisor (Informal and Optional - may be bypassed by grievant.)

Employees claiming sex discrimination may first discuss the grievance with their principal or immediate supervisor, with the object of resolving the matter informally. A student or parent with a sex discrimination complaint may discuss it with the teacher, counselor, or building administrator involved.

Level 2: Title IX Coordinator

If the grievance is not resolved at Level 1 and the grievant wishes to pursue the grievance, it may be formalized by filing a complaint in writing on a Compliance Violation Form. This form may be obtained from the Title IX Coordinator. The complaint shall state the nature of the grievance and the remedy requested. The filing of the formal, written complaint at Level 2 must be within fifteen (15) working days from the day of the event giving rise to the grievance or from the date the grievant could reasonably become aware of such an occurrence. The grievant may request that a meeting concerning the complaint be held with the Title IX Coordinator. A minor student may be accompanied at that meeting by a parent or guardian. The Title IX Coordinator shall investigate the complaint and attempt to solve it. A written report from the Coordinator to the complainant regarding action taken will be sent within fifteen (15) working days after receipt of the complaint.

Level 3: Superintendent

If the complaint is not resolved at Level 2, the grievant may proceed to Level 3 by presenting a written appeal to the Superintendent within ten (10) working days after the grievant receives the report from the Title IX Coordinator. The grievant may request a meeting with the Superintendent or his/her designee. The Superintendent or his/her designee has the option of meeting with the grievant to discuss the appeal. A decision will be rendered by the Superintendent or his/her designee within ten (10) working days after receiving the written appeal.

Level 4: Board of Education

If the complaint is not resolved at Level 3, the grievant may proceed to Level 4 by presenting a written appeal to the President of the Board of Education within ten (10) working days after the grievant receives the report from the Superintendent. The grievant may request a meeting with the Board of Education. The Board of Education has the option of meeting with the grievant to discuss the appeal. A decision will be rendered by the Board of Education at their next regularly scheduled meeting. The grievant will be notified in writing of the decision within ten (10) working days after the Board of Education action.

The procedure in no way denies the right of the grievant to file a formal complaint with the Missouri Civil Rights Commission, the Office for Civil Rights, or other agencies available for mediation or rectification of rights grievances, or to seek private counsel for complaints alleging discrimination.

SECTION 504 GRIEVANCE PROCEDURE

The procedures below must be utilized with regard to discrimination claims under Section 504. Claims relating to identification, evaluation, or educational placement must be challenged using the procedures outlined in Policy and Regulation 2110.

Level 1: Building Administrator (Informal and Optional - may be bypassed by Grievant)

Many problems can be solved by an informal meeting with the parties and the building administrator. An individual with a complaint is encouraged to first discuss it with the teacher, counselor or building administrator involved, with the purpose of resolving the matter promptly and informally. Similarly, employees with a complaint are encouraged to first discuss the complaint with the building principal or immediate supervisor.

Level 2: Section 504 Coordinator

If the complaint or issue is not resolved at Level 1, the grievant may file a written grievance with the Section 504 Coordinator. The written grievance must be filed with the Coordinator within fifteen (15) days of the event or incident giving rise to the grievance, or within fifteen (15) days of the date the grievant could reasonably have become aware of the event or incident. Extensions of the fifteen- (15) day requirement will be granted if the grievant can establish good cause for the delay and the interests of justice and fairness so require.

The written grievance should include the following information:

1. The nature of the grievance - what is the event, incident or circumstance that is the reason for the complaint.
2. The remedy requested - what would the grievant like to see happen if the Coordinator were to sustain the grievance.
3. The grievant's signature and the date of the grievance.

The Coordinator shall have the authority to investigate all written grievances. The Coordinator may request that an independent investigator, who is not an employee of the District, be assigned by the District to conduct the investigation. When possible, the Coordinator shall work toward resolution of the grievance. This resolution shall be reduced to writing and signed by all parties. If the parties cannot agree on a resolution to the grievance, the Coordinator shall complete the investigation and make a determination regarding the merits of the complaint. The Coordinator shall notify the grievant and the Superintendent in writing of his/her determination within fifteen (15) days after receipt of the written grievance. The fifteen (15) days may be extended (1) at the

request of the grievant, (2) with consent of all parties, or (3) if the Coordinator is on vacation or is otherwise unavailable during the fifteen- (15) day period due to an emergency or other unforeseen circumstances.

If the Coordinator concludes that the allegations contained in the grievance have merit, the Coordinator shall make a recommendation to the Superintendent as to the appropriate action to be taken by the District. If the Superintendent agrees with the recommendation of the Coordinator, the grievance will be sustained, and the recommended remedial action will be implemented. The Superintendent may sustain the grievance, yet modify the recommended remedial action. The Superintendent shall notify all parties of his/her decision in writing within five (5) days of his/her receipt of the recommendation from the Coordinator. The five (5) days may be extended (1) at the request of the grievant, (2) with the consent of all parties, or (3) if the Superintendent is on vacation or is otherwise unavailable during the five- (5) day period due to an emergency or other unforeseen circumstances.

If the Coordinator concludes that the allegations contained in the grievance are without merit, the Coordinator shall make a recommendation to the Superintendent that the grievance be denied. If the Superintendent agrees with the recommendation of the Coordinator, the grievance will be denied. The Superintendent shall notify all parties of his/her decision in writing within five (5) days of his/her receipt of the recommendation from the Coordinator. The five (5) days may be extended (1) at the request of the grievant, (2) with the consent of all parties, or (3) if the Superintendent is on vacation or is other unavailable during the five-(5) day period due to an emergency or other unforeseen circumstances.

If the Superintendent disagrees with the recommendation of the Coordinator, whether sustaining or denying the grievance, the Superintendent shall state his/her reasons for disagreeing with the recommendation in writing, set out his/her conclusions and the reasons therefore, and notify all parties of the decision in writing within five (5) days of his/her receipt of the recommendation from the Coordinator. The five (5) days may be extended (1) at the request of the grievant, (2) with the consent of all parties, or (3) if the Superintendent is on vacation or is other unavailable during the five-(5) day period due to an emergency or other unforeseen circumstances. If the Coordinator or Superintendent is alleged to have violated this Policy, the grievant may request to bypass the respective individual.

Level 3: Board of Education

Any party aggrieved by the decision of the Superintendent or in disagreement with the proposed remedial action may make a written appeal to the Board of Education. Such written appeal shall be filed in writing with either the Superintendent or the Secretary of the Board of Education. Such written appeal must be filed within ten (10) days of receipt of the decision of the Superintendent. Extensions of the ten- (10) day requirement will be granted if the grievant can establish good cause for the delay and the interests of justice and fairness so require. Upon

receipt of a written appeal, the District shall place the grievance on the agenda of the next meeting of the Board of Education following the fifth day after the appeal is received, or at such Board meeting thereafter as may be agreed upon by the parties.

At the hearing before the Board, the parties shall have the right to be represented by legal counsel, to call and examine witnesses, cross-examine witnesses called by the opposing party, and to submit evidence into the record.

The Board shall render its decision within thirty (30) days. The Board shall report its decision in writing. All parties shall receive a copy of the decision.

The hearing before the Board of Education shall be considered a contested case for purposes of Chapter 536, Revised Statutes of the State of Missouri.

Level 4: Circuit Court

Any party aggrieved by the decision of the Board of Education may appeal the decision to the Circuit Court of the County, in accordance with Chapter 536, Revised Statutes of the State of Missouri, or to the applicable federal court.

Other Options

At any time during the grievance process, a grievant may file a complaint with the United States Department of Education, Office for Civil Rights (Kansas City, Missouri) or the Missouri Commission on Human Rights. Employee grievants may also file a complaint with the Equal Employment Opportunity Commission.

2. Internal memoranda or correspondence received by or prepared by or on behalf of the Board where such documents involve advice, opinions, or recommendations related to the Board's decision making process. However, if such memoranda or correspondence is retained by the District or are presented at a public meeting, they will be deemed public records subject to public access.
3. District records closed to public access by the Board including but not limited to appropriate legal actions, real estate matters, information related to the performance or merit of individual employees, academic discipline and testing records of personally identifiable students, testing and examination materials, software codes, preparation for employee negotiations, specifications for competitive bidding, personnel records, and sealed bidding.

3. *If access is not immediately provided*, the custodian/designee will provide the person requesting access with a detailed explanation of the reason for the delay. The custodian/designee will advise of the earliest date, time, and place when access will be provided.
4. *If access is denied*, the custodian/designee will provide the person requesting access with a written explanation of the reason for denial of access. The written explanation will provide the specific provision of law relied upon in denying access and will be provided within three (3) days of the date when access was denied.
5. Fees for duplication of the District's public records must be received prior to copying unless the fee has been waived by the Board. Upon request of the person requesting duplication, the custodian/designee will certify that the actual cost of document search and duplication does not exceed the allowable charges for public records set out in state law.

Unauthorized Removal of Public Records

No person is permitted to remove original public records from District facilities without written permission of the custodian of records/designee. Employees who violate this provision are subject to discipline up to and including termination. Violators may be referred to law enforcement officials.
